Main achievements in Role as Treasurer of the British Medical Association / BMA (working, of course, with the chief officer team and the senior management team)

1. Instigated and completed a senior management review and restructure
2. Am the Chief Officer lead on a BMA Transformation Programme, starting July 2013 and nearing completion, covering for example
 - a. Human resources, Legal department and Financial
 - b. I.T. (including infrastructure, communications, support services etc)
 - c. Committee support
 - d. Internal working patterns etc
3. Led a 12-18 month BMA Governance review leading to the establishment of a new Board of Directors for the BMA group, (supported by >95% of the Annual Representative meeting.)
4. Led on staff pension review across the whole BMA Group, ensuring the long term stability of the scheme and the Group finances.
5. Initiated a “project” to increasing BMA income from “non-member based subscriptions” which is now approaching its target of £5 million annually
6. Improved the finances of the BMA from a position of significant annual deficit to one of annual surplus. While at the same time
 - a. Being able to freeze member annual subscription rates for the past 3 years
 - b. Spending more on member services and
 - c. Increasing the levels of financial support to elected members e.g. honoraria rates
7. Introduced a Group wide electronic expenses system in 2014
8. Am the lead Chief Officer on a major project of BMA member involvement and member started in 2015, now called “Your voice, Your BMA” due to report to the 2017 Annual Meeting.
