

Logging In to CrowdCompass

Through a URL

1. **Open the desktop version of the app.** Access the web version of the app using this URL: <https://crowd.cc/wmaga2020> to be sent through email. Click **Log in** button to enter your details.

2. **Enter your details.** Enter your first name, last name, and email address (same one you used for Cvent registration). Then tap **Next**. We'll send you an email with the verification code. We just want to make sure it's you. This may take a minute or two to arrive.

3. **Verify your account.** Access your verification email. You'll see it includes your six-digit verification code. Return to the log in page and enter the verification code, then tap **Verify** to log in.

Through a mobile/tablet

1. **Go the right store.** Access the App Store on iOS devices or the Play Store on Android.

If you're using a Blackberry or Windows phone, skip these steps. You'll need to use the web version of the app found here: <https://crowd.cc/wmaga2020>.

2. **Install the app.** Search for CrowdCompass AttendeeHub. Once you've found the app, tap either **Get** or **Install**.

After installing, a new icon will appear on the home screen.

Find your event

1. **Search the AttendeeHub.** Once downloaded, open the AttendeeHub app and enter [**WMA General Assembly, Cordoba 2020**] in the search bar.

2. **Open your event.** Tap the name of your event, then tap **Download** to open it. Then follow the instructions similar to the Webpage (please see above).
