The Team of the Visa Section**

Dear Sir/Madam,

In regards to a very important upcoming meeting in Berlin, it is my pleasure to send you here attached a joint letter from the President of the German Medical Association, Dr. Klaus Reinhardt, and the Secretary

General of the World Medical Association, Dr. Otmar Kloiber.

A first list of participants who are actually registered to the WMA General Assembly, and who have already paid their fee for attending the meeting, is also attached. As you can see, we are still in the process of gathering information.

We expect to have many more participants from Nigeria and will send you a complementary list once the potential participants have registered.

We are staying at your entire disposal for any questions you may have.

Thank you for considering this letter as high priority and we appreciate your kind attention to this matter.

Kind regards,

Anne-Marie Delage
